With these programs, you get all the benefits of an Adelphi education, plus the opportunity to earn credentials from our distinguished partner institutions.”

—Robert I. Schwartz, Ed.D., Director, Office of Pre-Professional Advising and Fellowships

You already know what you want to be when you get out of school. And you want to get the degree you’ll need as quickly as possible.

Adelphi’s joint degree programs can help you do that. They combine a personalized undergraduate education at Adelphi with a direct path to a prestigious graduate program. Many of these programs are accelerated, allowing you to graduate a year early.

Joint degree programs are challenging. Admission to them is competitive, although you can reapply as an Adelphi student if you aren’t accepted initially.

But when you enter one of our programs, our Office of Pre-Professional Advising and Fellowships will give you all the support you need to prepare for graduate school and your career in the profession of your dreams.
Follow a personalized path to your career goals.

The Office of Pre-Professional Advising and Fellowships is devoted to your success. Our goal is simple: to prepare you for graduate school and a career as a dentist, doctor, lawyer, optometrist, pharmacist, physical therapist, podiatrist or veterinarian.

**WE OFFER:**

**THE FOUNDATION YOU NEED TO SUCCEED.** At Adelphi, you’ll get a strong liberal arts and science education that will prepare you for a professional career in anything from engineering and law to medicine and physical therapy.

**INDIVIDUAL GUIDANCE.** You’re a name here, not a number. Your faculty adviser will give you the one-on-one guidance you need to apply to the professional school that matches your passions—and your professional goals.

**ALL THE FACTS.** We have the key information on all of our joint degree programs. So you’ll know what standardized tests you’ll need to take, how to prepare and what kinds of financial aid you might expect at the graduate level.

**ABUNDANT OPPORTUNITIES.** We want to enhance your preparation for your future career in as many ways as possible. While we can help you track down an internship or job-shadowing opportunity, we also offer on-campus workshops and guest lectures that give you the chance to network with professionals in your future field.

**SCHOLARSHIP INFORMATION.** Our office will let you know about, and help you apply for, fellowships and honors that can further your graduate education. These include the Jack Kent Cooke Foundation Scholarship, the Ford Scholars Program, the Fulbright Scholar Program, the Barry Goldwater Scholarship and Excellence in Education Program, the Jacob K. Javits Fellowships Program, Marshall Scholarships, Rhodes Scholarships, the Paul & Daisy Soros Fellowships for New Americans and Harry S. Truman Foundation Scholarships.
Go exactly where you want to go.
Five-Year Bachelor’s/Master’s Dual Degree Programs

Earn two degrees. Finish faster.

M.B.A. IN ACCOUNTING IN 12 ADDITIONAL MONTHS
Major in accounting as an undergraduate and get an M.B.A. in Accounting in just 12 additional months by completing the required graduate courses on a full-time basis. Then you’ll be on track for a CPA license in New York and other states that require 150 credit hours of college education.

BUSINESS OF SCIENCE DEGREE WITH M.B.A.
This program is the only one of its kind in the state of New York. Adelphi’s combined five-year Business of Science program allows students who major in Biology, Biochemistry, Chemistry, Physics, Computer Science or Mathematics to earn a B.S. and an M.B.A. in just five years.

M.A. IN PSYCHOLOGY IN 5 YEARS
Major in psychology and start in the fall of your senior (undergraduate) year to take two graduate courses per semester. You will also study during the summer between your fourth and fifth years to ensure timely completion. Graduate with a B.A. in Psychology and an M.A. in General Psychology, and then you can choose a graduate concentration in human resource management or substance abuse counseling.

COMBINED BACHELOR’S AND MASTER’S DEGREE FOR TEACHERS
Major in one of the liberal arts and sciences that lead to a B.A. or B.S. (including economics and psychology) as an undergraduate, and complete all the University and New York State certification general education requirements. Then choose graduate courses in Adolescent (High School) Education, Childhood (Elementary) Education or Teaching English to Speakers of Other Languages (TESOL). Consult with an academic adviser prior to enrollment to confirm how long it will take to meet all requirements.

THE NATION’S FINEST GRADUATE SCHOOLS HAVE ACCEPTED ADELPHI STUDENTS. GET ON TRACK FOR SUCCESS.

Joint Bachelor’s and Graduate Degree Programs With Partner Universities

You’re set on a career in engineering, healthcare or law. A joint program with degrees from Adelphi and one of our partner universities is the most direct path to your goal. Our joint degree programs are for especially motivated students and our personalized advisements will help students attain their goals.

ADMISSION TO OUR JOINT PROGRAMS requires an outstanding high school record and strong scores on standardized tests or strong performance as an Adelphi student. You’ll have to maintain a high GPA, accumulate a required number of credits, and perform well on admission tests.

Get an introduction to these programs on the following pages. You can get more information about the academic requirements for each program at the Office of Admissions or online at prepare.adelphi.edu/professional.
Get a Bachelor of Arts from Adelphi in three years through the 3-2 B.A./B.S. Combined Program by completing the major requirements for a liberal arts degree along with pre-engineering courses. By the end of your junior year, if you complete a total of 97 credits in the appropriate courses, maintain a GPA of 3.3 and are accepted into the program, you will head to Upper Manhattan for two years of study for a Bachelor of Science in Engineering from Columbia University.

Our 2-3 B.A./B.S. Combined Program is similar to the 3-2 program, but is designed for students in the Honors College, transfers, or students who decide on engineering as a junior.

Spend all four undergraduate years at Adelphi and earn a Bachelor of Science in Engineering in the 4-2 B.S./M.S. Combined Program. You’ll still be given special consideration when applying to Columbia University for your Master of Science.

Visit prepare.adelphi.edu/professional for complete Columbia University Foundation School of Engineering and Applied Sciences admission requirements.

Admission to Engineering is determined in the fall of your junior year at Adelphi.
Your Path to Dentistry: NYU College of Dentistry
New York City, New York

Earn your Doctor of Dental Surgery degree in just seven years in our joint program with one of the nation’s top dental schools—New York University’s College of Dentistry.

Our 3-4 B.S./D.D.S. Early Assurance Program lets you spend three years at Adelphi, where you’ll get your Bachelor of Science, bolstered by special courses in biology and anthropology designed for students who plan to study dentistry. Then you’ll enter NYU’s renowned dental program to earn your professional degree.

This program is for the most motivated students and is open to 10 Adelphi first-year students each year.

TO BE CONSIDERED, YOU NEED:

- A minimum combined SAT score of 1360 or ACT score of 30
- A minimum overall high school GPA of 3.5
- No final grade below C in any course
- No applications to other dental schools while participating in the program

Once you apply, eligible applicants will be selected for an interview with Adelphi during the senior year of high school.

Visit prepare.adelphi.edu/professional for NYU College of Dentistry admission requirements.

SPECIAL UNDERGRADUATE DENTISTRY-RELEVANT COURSES

The departments of biology and anthropology offer courses of particular interest to students who plan to study dentistry to get an early taste of dental school.

Jaws, Teeth and Forensic Dentistry
ANT 362, BIO 362
Analytical descriptions of anatomy, development, variation, anomalies, wear, trauma and pathogenesis of dental structures and surfaces, including the cranium, form the basis of this course. Human dental morphology and function, and the forensic aspects of human dentition, are examined. This course includes a laboratory component with dental collections from prehistoric and recent human populations.

Tooth Structure and Dental Terminology
BIO 211
A course for students preparing for dental school. The objective of this class is to teach students the language of dentistry and the anatomy of the individual tooth; each of the 32 teeth will be drawn in detail. Receiving hands-on experience in dental laboratories, students will dissect teeth, carve models for teeth and observe and participate in other laboratory activities.

Dental Preceptorship
BIO 498
This course is an independent study that includes clinical observation and rotation through various dental specialties.
Your Path to Dentistry: 
LECOM School of Dental Medicine 
Bradenton, Florida

Get early acceptance to dental school, then spend a full four years at Adelphi. Our 4-4 Bachelor’s/D.D.M. Early Acceptance Program with the Lake Erie College of Osteopathic Medicine (LECOM) School of Dental Medicine gives you the best of both worlds, including four years of dental school in Florida.

Earn your Doctor of Dental Medicine degree from one of the newest and most innovative dental programs in the country. Located in Bradenton, Florida, LECOM will give you early clinical experience in its on-campus group practice.

TO BE CONSIDERED, YOU NEED:

• A minimum combined SAT score of 1260 or ACT score of 27
• A minimum overall high school GPA of 3.5
• Letters of recommendation and an essay related to your interest in dentistry
• Dental shadowing experiences

Visit prepare.adelphi.edu/professional for LECOM School of Dental Medicine admission requirements.
Your Path to Law: Albany Law School
Albany, New York

Earn your bachelor’s and law degree in just six years through our joint program with the oldest independent law school in North America.

In our **3-3 bachelor’s program** or the **J.D. Guaranteed Conditional Admission Program**, you’ll be awarded your bachelor’s degree after one year at Albany Law School, followed two years later by your law degree.

This is a competitive program and is open to only 10 Adelphi first-year students each year. You may be selected before the start of the first year or at the end of that year.

**TO BE CONSIDERED, YOU NEED:**
- A minimum SAT score of 570 on the math and 570 on the evidence-based reading and writing sections, or ACT score of 23
- A minimum overall high school GPA of 3.4

Visit [prepare.adelphi.edu/professional](http://prepare.adelphi.edu/professional) for Albany Law School admission requirements.
Study law in Philadelphia at a school that will provide you with hundreds of hours of experience working in professional practice by the time you graduate.

Choose an accelerated joint degree program or spend a traditional four years at Adelphi. Whether the 3-3/4-3 Bachelor’s Program or the J.D. Early Assurance Program, we’ve got a plan that’s right for you.

TO BE CONSIDERED, YOU NEED:

- A minimum SAT total score of 1290 with at least 570 on the math and 600 on the evidence-based reading and writing sections, or ACT score of at least 27
- A minimum overall high school GPA of 3.5

Eligible applicants will be asked to complete an interview.

Visit prepare.adelphi.edu/professional for Drexel University Thomas R. Kline School of Law admission requirements.
Your Path to Medicine: Philadelphia College of Osteopathic Medicine
Philadelphia, Pennsylvania

Spend a full four years of undergraduate study at Adelphi before moving on to Philadelphia to attain your Doctor of Osteopathic Medicine degree through our 4-4 Bachelor’s and D.O. Preferred Admissions Program.

The program is open to a limited number of students, plus alternates. Eligibility to this program is restricted to first-year students. Most are accepted before enrolling at Adelphi, but you can reapply in your first year if you aren’t initially accepted.

TO BE CONSIDERED, YOU NEED:

• A minimum SAT score of 670 on the math and 670 on the evidence-based reading and writing sections, or ACT score of 29
• A minimum overall high school GPA of 3.5
• No final grade below C in any required course
• Evidence of community involvement
• Completed essay regarding your interest in osteopathic medicine and the PCOM program
• Pre-medical Council interview at Adelphi no later than March of your senior year of high school

Visit prepare.adelphi.edu/professional for Philadelphia College of Osteopathic Medicine (PCOM) admission requirements.
Your Path to Medicine: Lake Erie College of Osteopathic Medicine
Erie, Pennsylvania

Get your Doctor of Osteopathic Medicine degree in as little as seven years through our joint program with the nation’s largest medical college. Our 3-4 and 4-4 bachelor’s and D.O. early admission programs with Lake Erie College of Osteopathic Medicine are the quickest ways to attain a D.O. With the 3-4 program, you’ll spend three years at Adelphi, then move on to Lake Erie’s campus in Erie, Pennsylvania, for four years of medical study.

Transfer students and students already in the 3-4 program are eligible for the 4-4 program on a case-by-case basis. All 3-4 students must major in Biology. This program is highly competitive and is limited to five students.

When openings occur, participants will be drawn from an alternates list. Open to current Adelphi students on a case-by-case basis when openings are available. No MCAT is required.

TO BE CONSIDERED, YOU NEED:

- A minimum combined SAT score of 1360 or ACT score of 30
- A minimum overall high school GPA of 3.5
- Evidence of community involvement
- Completed Affiliated Undergraduate College Inquiry form, found on the LECOM website
- A medical school interview at LECOM no later than February of your senior year of high school

Visit prepare.adelphi.edu/professional for Lake Erie College of Osteopathic Medicine (LECOM) admission requirements.
Your Path to Medicine: NYIT College of Osteopathic Medicine
Old Westbury, New York

The 4+4 Admissions Early Interview Program at the NYIT College of Osteopathic Medicine (NYIT-COM) was established in 1977 and trains osteopathic physicians for a lifetime of learning and practice. The school is located in Old Westbury, New York, with an additional campus in Jonesboro, Arkansas. Students will earn a Bachelor of Arts or Science degree from Adelphi University and a Doctor of Osteopathic Medicine (D.O.) from NYIT College of Osteopathic Medicine.

Students in the program may apply for admission to NYIT-COM following the completion of their third year of undergraduate education.

TO BE CONSIDERED, YOU NEED:

- Two years of undergraduate education at Adelphi
- Overall and science grade point averages of at least 3.5
- A favorable recommendation by the Pre-medical Council at Adelphi
- An MCAT score that is equal to, or above, the mean MCAT score of the NYIT College of Osteopathic Medicine first-year class in the year the student begins undergraduate study
- A personal interview with NYIT College of Osteopathic Medicine faculty

Visit prepare.adelphi.edu/professional for NYIT College of Osteopathic Medicine admission requirements.
Optometrists treat a variety of visual conditions, including glaucoma and corneal abrasions, and help detect systemic diseases like hypertension and diabetes. If your goal is to become an optometrist, you can obtain your Doctor of Optometry degree in just seven years through our program.

Located in Midtown Manhattan, the State University of New York College of Optometry provides a complete education in the basic biological and vision sciences. Patient care begins early in the program, with increasing responsibilities through all four years of the 3-4 bachelor’s and O.D. joint degree programs at the University Eye Center and in externships around the country and abroad.

We work closely with the SUNY College of Optometry to select students for the program. At the end of your junior year, you’ll enter the SUNY College of Optometry.

**TO BE CONSIDERED, YOU NEED:**

- A minimum combined SAT of 1360 or ACT score of 30
- A minimum overall high school GPA of 3.9
- To be in the upper 10 percent of your high school class
- Evidence of community service
- A personal interview with SUNY College of Optometry faculty

Visit prepare.adelphi.edu/professional for SUNY College of Optometry admission requirements.

**REQUIRED COURSES**

Although most students major in the natural sciences, prospective students can major in any discipline as long as they complete all the required courses for optometry.

One year of study in (these courses are all with labs):
- General biology
- General chemistry
- General physics
- Organic chemistry/biochemistry

One semester of study in:
- Calculus
- English
- Psychology
- Social sciences
- Statistics

Recommended—one semester of study in:
- Biochemistry
- Microbiology
Reserve your place in a top physical therapy program at the beginning of your junior year at Adelphi through our 4-3 B.S. and D.P.T. Early Decision Program with the New York Institute of Technology, located in Old Westbury, New York.

Earn your Doctor of Physical Therapy degree and begin your career helping patients suffering from neurological conditions, accidents, wounds and the aftereffects of surgery.

You must submit an application for the Early Decision Program by May 30, following your sophomore year (60 credits). You should receive a decision by August 30, at the beginning of your junior year. To be considered, you must be an exercise science major.

Visit prepare.adelphi.edu/professional for complete New York Institute of Technology admission requirements.
Apply during the spring of your junior year and secure your spot in the outstanding program located in New York’s Westchester County. With flexible course prerequisites, New York Medical College accepts students from a wide variety of majors.

Earn your Doctor of Physical Therapy degree in three years in our 4-3 and D.P.T. Early Acceptance Program. You’ll benefit from small tutorial groups, lectures and structured laboratory experiences that include working with patients.

Register with the Office of Pre-Professional Advising and Fellowships upon admission to Adelphi or during your first three years at Adelphi.

Apply, with recommendation from Adelphi’s Pre-Professional Advisory Committee, during the spring of your junior year at Adelphi.

Visit prepare.adelphi.edu/professional for complete New York Medical College admission requirements.
Prepare for a career in podiatry in just seven years through our 3-4 B.S./D.P.M. Early Assurance Program with a 90-year-old institution located in Upper Manhattan.

The New York College of Podiatric Medicine (NYCPM) is a leader in advancing knowledge about the treatment of foot disorders. Affiliated with the Foot Center of New York, it provides a thoroughly comprehensive training experience. Earn your Doctor of Podiatric Medicine at NYCPM and you’ll learn the very latest surgical techniques and how to treat wounds and orthopedic conditions.

Eligibility to this program is restricted to first-year students. If you are not initially accepted into this program, you can reapply once you are enrolled as a first-year student at Adelphi.

TO BE CONSIDERED, YOU NEED:

• A total combined SAT score of 1270 with a minimum of 620 on the math section, or ACT score of 27
• A minimum overall high school GPA of 3.5
• To be in the upper 10 percent of your high school class
• Evidence of community involvement

Visit prepare.adelphi.edu/professional for New York College of Podiatric Medicine admission requirements.
Your Path to Pharmacology: University at Buffalo School of Pharmacy and Pharmaceutical Sciences Buffalo, New York

Get your Doctor of Pharmacy degree from the top-ranked school of pharmacy in New York state, an institution with a national reputation for innovation in clinical practice and research.

Our collaborative 4-4 bachelor’s and PharmD joint degree program allows you to apply to the University at Buffalo when applying to Adelphi or during the first three years of undergraduate study. Under some circumstances, you may be able to shorten your time at Adelphi to three years.

Visit prepare.adelphi.edu/professional for complete University at Buffalo admission requirements.
Your Path to Veterinary Medicine: Ross University School of Veterinary Medicine
St. Kitts, West Indies

Learn to provide care for animals in our joint 4-4 Bachelor’s/D.V.M. Articulation Program with Ross University. Located on the island of St. Kitts in the Caribbean, Ross University is accredited by the American Veterinary Medical Association Council on Education, qualifying you to practice in the United States.

The 4-4 Articulation Program was developed to assist students in their goal to earn a B.A. or B.S. and Doctor of Veterinary Medicine (D.V.M.). You can apply once you’ve completed 90 credits at Adelphi and begin your graduate work once you’ve received your bachelor’s degree.

Visit prepare.adelphi.edu/professional for complete Ross University School of Veterinary Medicine admission requirements.
SAFETY FIRST

Colleges and universities are required under federal law to publish and make available an annual campus security report, which includes, among other information, statistics on campus crime. The crime statistics for all colleges and universities required to comply with this law are available from the United States Department of Education.

Adelphi University’s annual security report includes statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings or property owned or controlled by Adelphi University, and on public property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies concerning campus security, such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, emergency response plan, timely warnings, fire statistics, missing students and other matters. The advisory committee on campus safety will provide upon request all campus crime statistics as reported to the United States Department of Education. You may obtain a copy of this report by contacting the Office of Public Safety and Transportation, Levermore Hall, lower level, 516.877.3500 or by accessing administration.adelphi.edu/publicsafety.

The United States Department of Education’s website for campus crime statistics is ope.ed.gov/security.

As a reminder, the back of any Adelphi University ID card provides you with weather advisory and alert numbers to obtain information on any possible delayed openings or school closings. To register for the University Mass Notification System, log on to eCampus (ecampus.adelphi.edu) and click on University Mass Notification System.

ACCREDITATION

Adelphi University, an independent, comprehensive institution, is chartered by the University of the State of New York, and is accredited by the Middle States Association of Colleges and Schools, 3624 Market Street, Philadelphia, PA 19104-2680, 215.684.5000; the New York State Education Department, 89 Washington Avenue, Albany, NY 12234, 518.474.3852; the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, D.C. 20036, 202.887.6791; the American Speech-Language-Hearing Association, 2200 Research Blvd., Rockville, MD 20850-3289, 800.638.8255; the Council on Social Work Education, 1701 Duke Street, Suite 200, Alexandria, VA 22314, 703.683.8080; the National Council for Accreditation of Teacher Education (NCATE), 2010 Massachusetts Avenue, NW, Suite 500, Washington, D.C. 20036-1023, 202.466.7496; and AACSB International-The Association to Advance Collegiate Schools of Business, 777 South Harbor Island Blvd., Suite 750, Tampa, FL 33602-5730, 813.765.6900.

EQUAL OPPORTUNITY AND NOTICE OF NONDISCRIMINATION

Adelphi University is committed to extending equal opportunity in employment and educational programs and activities to all qualified individuals and does not discriminate on the basis of race, religion, age, color, creed, sex, marital status, sexual orientation, ethnicity, national origin, disability, genetic disposition or carrier status, veteran status, status as a disabled or Vietnam-era veteran, gender identity, or any other basis protected by applicable local, state or federal laws. Adelphi University does not discriminate on the basis of sex in any education program or activity they operate as required by Title IX. All questions regarding Title IX should be referred to Title IX Coordinator and Director of Equity and Compliance Renaire Frierson, Room 207, Levermore Hall, 516.877.4819, titleix@adelphi.edu. The discrimination coordinator for student concerns pursuant to Section 504 of the Rehabilitation Act of 1973 is Rosemary Garabedian, Director of the Student Access Office, Lower Level, Post Hall, 516.877.3145, the discrimination coordinator for employee concerns pursuant to Section 504 of the Rehabilitation Act of 1973 is Jane Fisher, Director of Employment, Employee and Labor Relations, Room 203, Levermore Hall, 516.877.3222, the coordinator of Title VII and the affirmative action officer is Cindy Donnelly, Chief Human Resources Officer, Room 203, Levermore Hall, 516.877.3268.
“If you want to be a dentist, a veterinarian, a physical therapist, a doctor, a lawyer or a pharmacist—this is a great place to start.”

—Robert I. Schwartz, Ed.D., Director of Pre-Professional Advising and Fellowships
